## Report Suspected Espionage Incidents

Watch for someone who appears to be collecting information on U.S. personnel or facilities through observation, surveillance, document collection or questioning. Report it to the Stuttgart

Military Intelligence Office, 421-2206/civ. 0711-729-2206.

## Open Eyes Help Combat Terrorism

Our community members are our best defense in spotting things out of the normal whether it be in the home or place of work. Don't be afraid to report anything you feel is suspicious but fear it may be unsubstantiated. Go with your instincts. It's better to report it and be wrong rather than not reporting an important tip that could have averted a tragedy.
